THE EASIER WAY TO GET JOBS DONE.

Compliant, Competitive Contracts for Government

You need high-quality equipment to get jobs done safely and efficiently — and we have an easy-to-use contract solution. Through the Canoe Heavy Construction Equipment Program, you can get the machines you trust at preferred pricing that are fully trade-compliant.

Canoe Benefits

- Access to a wide range of products and services
- Already tendered on your behalf
- Fully compliant with CETA, CFTA, NWPTA, and other relevant trade legislation
- Preferential pricing and service

How it Works

1. Post a notice on your recognized electronic bid notification system to use the Canoe cooperative purchasing program.
2. Contact the supplier of your choice, requesting Canoe pricing.
3. Confirm your purchase with the contract number. It's that easy!
